FRUIT GROWERS NURSERIES
High Grade Nursery Stock
Dept. F
NEWARK, NEW YORK STATE

"PLANT WITH NEWARK, NEW YORK NURSERY STOCK"
Crimson Rambler

The best known and most popular of all the ramblers. Strong and vigorous and bears great clusters of small semi-double crimson flowers in Spring. Probably more planted than any other Rose.

XXX Size (extra large size)—$1.50 each; $17.00 per dozen.
XX Size (large size)—$1.25 each; $14.00 per dozen.
X Size (medium size)—$1.00 each; $11.00 per dozen.

Paul’s Scarlet Climber

A new hardy Rose of the most vivid, bright red in any Climbing Rose. Blooms in clusters of half double flowers which are conspicuous for both size and brilliance. Very hardy. Should be in every garden.

XXX Size (extra large size)—$2.00 each; $23.00 per dozen.
XX Size (large size)—$1.75 each; $20.00 per dozen.
X Size (medium size)—$1.35 each; $15.00 per dozen.
One each of the above six (XXX size) for $10.50. This group offered for Spring delivery, and in the XXX size only.
The three above (one of each) in XXX Size for only $5.00
The three above (one of each) in XX Size for only 4.25
The three above (one of each) in X Size for only 3.75

1. White American Beauty.  
2. Pink American Beauty.

"The Two American Beauties"

The two in XXX Size for $3.25
The two in XX Size for 2.75
The two in X Size for 2.25

$2.00 each; $23.00 per dozen, offered in XXX Size and for Spring delivery only.
La France.

Mrs. Aaron Ward.

Gruss an Teplitz.

The above three (one of each) for $5.50, offered in XXX Size and for Spring delivery only.

Rugosa Rose, Conrad F. Meyer.

Perennial Group No. 1

12 Hardy Perennials (2 of each shown on this page) $6.25
6 Hardy Perennials (1 of each shown on this page) 3.40

German Iris
One of the most dependable plants and very decorative in the garden. Fine in clumps and borders, in fact, most anywhere. Bloom late in May and last into June and are in various shades.

Anchusa Italica
(Alkanet)
Grows to a height of 3 to 5 feet; has rough leaves and stems; branches freely, each branch terminating in a large pyramidal spike of brilliant, blue flowers. Blooms in May and June. Of easy culture.

Hibiscus, Crimson Eye
Immense flowers of purest white with large centers of velvety crimson. Blooms profusely all Summer.

Digitalis (Foxglove)
One of the most popular old-fashioned plants. Stalks grow to about three feet. Bloom in July and August. Should be in every planting.

Delphinium (Larkspur)
One of our most showy and attractive plants. They are fine among the shrubbery and for sections of borders. Long blooming season. They come in various shades and increase in size and beauty every year.

Anemone Japonica
(Windflower)
A hardy, decorative, free flowering perennial, 2 to 3 feet high, blooming from August until late Fall. One of the best Fall flowering perennials. We have two varieties: Queen Charlotte, with very large semi-double, rose-pink flowers, and Whirlwind, with large semi-double pure white flowers.
Perennial Group No. 2

12 Hardy Perennials (2 of each shown on this page) for only $6.40

6 Hardy Perennials (1 of each shown on this page) for only $3.50

Achillea, The Pearl

One of the finest of the white flowering border plants. Also fine for cutting. About 2 feet high, producing fine, white flowers in profusion during the entire Summer.

Coreopsis

One of the most satisfactory hardy plants for steady bloom from June on. Flowers of rich, golden yellow and of good size. A strong grower.

Sweet William

One of grandmother's favorites, and still going strong. About 18 inches high, very hardy. Produces large, flat clusters of flowers of various colors.

Gaillardia (Blanket Flower)

A gorgeous perennial. Blossoms in June and will continue all Summer if frequently cut. About two feet high. A hard center of deep maroon is bordered by petals of orange and yellow, ringed by circles of crimson, red and maroon.

Aquilegia (Columbine)

Blooms from June till August. Height 2 feet. Flowers are red and yellow, held gracefully on long stems. A strong grower and free bloomer.

Iris

See opposite page for description.
**Phlox**

One of the very best bedding plants. Good in beds, borders, along paths, and in clumps in shrubbery, especially in the red and scarlet shades. We have fine varieties in white, pink, scarlet, crimson, lilac, lavender and blue. They thrive everywhere, get stronger each year, and have no insect enemies. They have a long blooming season and are decorative everywhere.

**Eulalia (Hardy Grass)**

A Japan Rush, with narrow green leaves with a silvery white midrib. Very hardy and decorative in clumps in a large border or in front of the tall shrubbery bed.

**Hardy Garden Pinks**

No garden is complete without some of these spicy favorites. They have a perfume all their own. Are fine for cutting in midsummer.

**Tritoma (Flame Flower)**

Also sometimes called Red-Hot Poker. The spikes are of gigantic size, frequently 4½ feet high, and with heads of bloom over 12 inches long, of a brilliant orange-scarlet, shading to salmon-rose on the edge.
Yucca
A hardy, evergreen plant. Blossoms on a tall stalk, which terminates in branching spikes of beautiful, creamy white, bell-shaped flowers. Midsummer.

Helianthus (Hardy Sunflower)
Flowers are large, from light to deep yellow. Fine for large borders. Blooms in September and October, when flowers are scarce, and is therefore prized for cutting.

Shasta Daisies
A fine plant for any hardy garden. Blossoms white, and when at their best are sometimes three and four inches across, and are very desirable for cutting.

Hollyhock
Fills a place all its own. No other perennial grown is so decorative, so majestic and so stately. It is indispensable in formal plantings, is useful in backgrounds for lower plants, in clumps in large borders, at entrances, in beds in large grounds, on hillsides, in fact almost everywhere. Grows 6 to 8 feet tall, and is in various colors. Should be in every planting for its decorative artistic effect.

OUR SPECIAL HOLLYHOCK GROUP
1 RED. 1 WHITE. 1 PINK. 1 YELLOW.
The above four for $2.15
Special Shrub

One each of these six beautiful shrubs shown on this and opposite page for only

$6.75

Butterfly Bush
or Summer Lilac

3 to 5 feet. Blooms continually from July until frost, bearing long, slender, arching spikes of light blue lilac-like flowers. Very hardy.

Calycanthus

Has large glossy leaves with straight, strong reddish brown branches. Chocolate colored blossoms. Wood, flower and leaves give off a sweet, spicy, strawberry-like fragrance.

Coralberry

Noted for its fine foliage, slender, graceful bending branches, and its dainty pink blossoms in June and July which are followed by thick clusters of small red berries. Will thrive in almost any location and soil.
Group No. 1

These shrubs are usually less than five feet tall when fully grown.

Deutzia Crenata

Anthony Waterer Spirea

Crimson flowers in July. The shrub is small, compact, foliage green and dense. Fine in front of taller shrubbery.

Snowberry

Dainty small pink flowers in June and July which in August form into pure white waxy berries. An excellent shrub for grouping and massing. Very hardy, does well in shade.
Special Shrub Group No. 2

Shrubs about 6 to 8 feet in height when fully grown.

One each of these six attractive shrubs for only $6.85

**Weigela Rosea**
One of the choicest of all shrubs. Highly decorative and very hardy.

**Syringa Coronarius**
(or Mock Orange)
This is the old familiar “Mock Orange.” Bears very fragrant creamy white flowers in May and June. A fine hardy old shrub.

**Deutzia,**
(or Rose of Sharon)
Blossoms late in season when blooms are scarce. May be had with bloom of either white, pink, red, blue or purple.

**Spirea Van Houttei**
The old favorite Spirea. So well known it requires no description.

SPECIAL
6 Spirea Van Houttei $5.00

**Bush Honeysuckle**
Bears a profusion of small fragrant blossoms in May and June, followed by orange or red berries, which frequently last into early Winter.
Special Shrub

Shrubs usually over 8 feet in height when fully grown and are especially adapted where a high screen is desired.

Purple Lilac
Purple flowers are scarce, hence the advisability of planting this old favorite.

Spirea Aurea
A strikingly showy shrub. Has white blossoms in June, followed by large red seed pods lasting throughout July.

Syringa Grandiflora
Very vigorous. Large white blossoms in June. Fine for screens.
Group No. 3

One each of this group of five shrubs shown on this and opposite page for only

$6.25

Tamarix

A strangely beautiful shrub. Blossoms in April, flowering profusely in delicate feathery sprays of light pink and white blossoms.

Forsythia Fortunei

Small yellow blossoms before its leaves are out. Hardy and profuse bloomer.
Spirea Billardi
Dense spikes of exquisite pink flowers in July and August. Has second but less profuse blooming period in Fall. One of the most popular Spireas.

Honeysuckle Morrow's
Has pure white flowers which change to yellow tones in May and June. These are followed by a multitude of bright red berries which remain from August until Winter. Attracts birds.

Forsythia Viridissima
Compact branches with yellow flowers preceding its leaves. Desirable for massing.
Common Snowball

The large rounded balls of snow-white flowers in May and June make this a very showy and attractive shrub. Very vigorous.

Hydrangea Paniculata Grandiflora

The most popular of all the Hydrangeas. Has immense, cone-shaped, white blossoms which turn to pink. This shrub is the most showy of all in the Fall and therefore very valuable. Is fine as a single specimen plant or in beds or borders. Perfectly hardy in smoky or dusty locations, and also does well in the shady corner.
California Privet

The most popular privet for hedges. Untrimmed it will attain a growth of from 6 to 10 feet but it is far more attractive when trimmed to a height of about 3 to 4 feet. A beautiful effect is produced when it is planted in two rows, the plants 12 to 18 inches apart and "staggered." Does well in smoke and in dust and shady places.

Barberry Thunbergi

The best of all hedges for low, informal effects. One of the hardiest of all hedges being especially adapted for planting in cold climates. The foliage is very fine, in the Autumn taking on a gorgeous coloring, and the berries which remain all Winter are red and very attractive.
Rochester Peach

One of the earliest yellow freestones. Large, beautiful and of excellent quality. Flesh thick and firm.
